

Sales Manager (m/f/d)

Adflexy GmbH

Looking for the next adventure? We are keen to add an exceptional Sales Manager to our Team at Adflexy.

We provide an AI based Software System that gives marketers the flexibility of choosing multiple different ad contents when broadcasting live events.

Some responsibilities: (including but not limited to)

- Prepare all relevant documents such as Sales Decks
- Representation of the product
- Networking
- Customer Relations
- Planning and implementation of distribution concepts

What are we looking for:

- Passion for what you do
- Affinity to technical products
- 3+ years of relevant work experience
- Completed commercial education or university degree is beneficial
- Exceptional communication and sales skills
- Capability of performing in a fast paced environment

What can you expect:

- opportunity to step in at an early stage of the development
- chance to develop your skills extensively
- great possibilities of personal growth and fast career development
- great team spirit
- Opportunity to be part of an extraordinary success story
- Flexible working conditions
- Adequate remuneration and benefits
